13.10 EQUAL OPPORTUNITY REQUIREMENTS

Non-discrimination in Employment by Federally Assisted Construction Contractors, by Executive Order 11246.

13.10.1 This section summarizes Executive Order 11246, which prohibits employment discrimination and requires employers holding non-exempt Federal contracts and subcontracts and federally-assisted construction contracts and subcontracts in excess of \$10,000 to take affirmative action to ensure equal employment opportunity without regard to race, color, religion, sex, or national origin. The Executive Order requires, as a condition for the approval of any federally assisted construction contract, that the applicant incorporate nondiscrimination and affirmative action clauses into its non-exempt federally assisted construction contracts.

13.10.2 Executive Order 11246, is administered and enforced by the Office of Federal Contract Compliance Programs (OFCCP), an agency in the U.S. Department of Labor's Employment Standards Administration. OFCCP has issued regulations at 41 C.F.R. chapter 60 implementing the Executive Order. The regulations at 41 C.F.R. part 60-4 establish the procedures which the Agency, as an administering agency, must follow when making grants, contracts, loans, insurance or guarantees involving federally assisted construction which is not exempt from the requirements of Executive Order 11246. The regulations which apply to Federal or federally assisted construction contractors also are published at 41 C.F.R. part 60-4.

13.10.3 OFCCP has established numerical goals for minority and female utilization in construction work. The goals are expressed in percentage terms for the contractor's aggregate workforce in each trade. OFCCP has set goals for minority utilization based on the percentage of minorities in the civilian labor force in the relevant area. There is a single nationwide goal of 6.9 percent for utilization of women. The goals apply to all construction work in the covered geographic area, whether or not it is federal, federally assisted or non-federal. A notice advises bidders of the applicable goals for the area where the project is to be located.

13.10.4 Application. This section applies to all of a construction contractor's or subcontractor's employees who are engaged in on-site construction including those construction employees who work on a non-Federal or non-Federally assisted construction site.

13.10.4.1 Agency officials will notify the appropriate Regional Director of OFCCP that an Agency financed construction contract has been awarded, and that the equal opportunity clauses are included in the contract documents.

13.10.4.2 The Regional Director, OFCCP-DOL, will enforce the non-discrimination requirements of Executive Order 11246.

13.10.5 The prospective contractor or subcontractor must comply with the Immigration Reform and Control Act of 1986, by completing and retaining Form I-9, "Employment Eligibility Verification," for employees hired. This form is available from the Immigration and Naturalization Service, and Department of Justice.

13.10.6 The prospective contractor or subcontractor must submit Form RD 400-6, "Compliance Statement," to the applicant and an Agency official as part of the bid package, prior to any contract bid negotiations and comply with the Executive Order 11246 as stated in the contract documents.

13.11 STATUTES

13.11.1.2 Clean Air Act (42 U.S.C. 7414), section 114, and Water Pollution Control Act (33 U.S.C. 1813), section 308. Under Executive Order 11738 and Environmental Protection Agency (EPA) regulations 40 C.F.R. part 15, all Contracts in excess of \$100,000 are required to comply with these Acts. The Acts require the Contractor to:

- .1 Notify the Owner of the receipt of any communication from EPA indicating that a facility to be utilized in the performance of the Contract is under consideration to be listed on the EPA list of Violating Facilities.
- .2 Certify that any facility to be utilized in the performance of any nonexempt Contractor or Subcontractor is not listed on the EPA list of Violating Facilities as of the date of the Contract Award.
- .3 Include or cause to be included the above criteria and requirements of paragraphs .1 and .2 in every nonexempt subcontract, and that the Contractor will take such action as the Government may direct as a means of enforcing such provisions.

13.11.1.3 Davis-Bacon Act (40 U.S.C. 276a) as supplemented in Department of Labor regulations (29 C.F.R. part 5). If applicable, the Contractor must comply with the minimum rates for wages for laborers and mechanics as determined by the Secretary of Labor in accordance with the provision of this Act.

If applicable, the Contractor must complete a certification form on lobbying activities related to the specific Federal loan or grant that is a funding source for this contract. The certification and disclosure forms shall be provided by the Owner.

The Contractor shall maintain records for at least three years after the Owner makes final payment and all other pending matters are closed.

#### 13.13 IDENTITY OF INTEREST

13.13.1 The Owner will complete and sign Form RD 1944-30, "Identity of Interest (IOI) Disclosure Certificate." If applicable, the Contractor or any Subcontractor, Material Supplier, or Equipment Lessor sharing an identity of interest will, prior to receipt of any payment, complete and sign Form RD 1944-31, "Identity of Interest (IOI) Qualification."

13.13.2 If and when an identity of interest exists, the Contractor, Subcontractor, Material Suppliers, or Equipment Lessor:

13.13.2.1 Will, prior to receipt of any payment, provide the Owner and the Agency a written assertion that it has an accounting system suitably designed to provide for a line-item basis comparison of the actual cost with the estimated cost.

13.13.2.2 Will, prior to receipt of any payment, provide the Owner and the Agency with a detailed breakdown of the estimated cost amount for evaluation, using Form RD 1924-13, "Estimate and Certificate of Actual Cost."

13.13.2.4 Will not be entitled to receive payment for general overhead, profit, or general requirements, respectively, in excess of the amounts represented on the estimate of cost breakdown in accordance with clause 13.13.2.2.

13.13.2.5 Will, prior to receipt of final payment, provide the Owner and the Agency with a detailed breakdown of the actual cost compared to the estimated cost, using Form RD 1924-13. When required, the actual cost will be audited by a Certified Public Accountant, or Licensed Public Accountant licensed on or before December 31, 1970, who will provide an opinion concerning whether the actual construction costs present fairly the costs of construction in conformity with eligible construction costs as prescribed in Rural Development regulations.

The documentation will provide justification for the deviations.

13.13.3 If and when an identity of interest exists between the Owner and Contractor, the Contractor is entitled to receive a builder's fee (general overhead and profit) only when the highest subcontract Sum is no more than fifty percent (50%) of the Contract Sum, and the total of the highest three Subcontract Sums is no more than seventy-five percent (75%) of the Contract Sum. Any payments made to the Contractor for a builder's fee to which contractor is not entitled will be refunded to the Owner or subtracted from any payment retainage.
